

Training Guide for Worldwide Adventures Abroad Ltd

VisaCentral clients can access a proprietary, state of the art database that contains all the specific requirements for travellers of any nationality to travel anywhere in the world. Application Packs can be downloaded from the website that provide easy to follow instructions, requirements and the necessary application forms to process your visa.

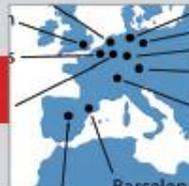

Visit your dedicated VisaCentral portal www.visacentral.co.uk/worldwideadventuresabroad to access your account through our website.

The screenshot shows the VisaCentral website interface. At the top left is the logo "VisaCentral A CIBT COMPANY". To the right is a search bar labeled "Enter Account Code" with a red arrow pointing to it. Below the logo is a navigation menu with buttons for "Home", "Visas", "Passports", "Service Directory", "Client Solutions", "About Us", and "Status Check". The main content area features a "Need a Visa?" form with the following fields:

- "I hold a passport from" with a dropdown menu showing "United Kingdom".
- "I am travelling to" with a dropdown menu showing "Select Country".
- "I am travelling for" with a dropdown menu showing "Select One".
- A link "Add Destination" in red text.
- "Do you have an account code" with radio buttons for "Yes" and "No" (selected), and an "Enter Account Code" input field.
- A link "Forgot account code?" in red text.
- A red "SUBMIT" button.

To the right of the form is a large graphic with a globe background and the text "the FASTEST way to get a visa." where "FASTEST" is in large, bold, red letters.

Once logged in correctly, search for the latest visa information with four basic steps:

Step One: Choose the traveller's nationality

Step Two: Choose the country of destination

Step Three: Select the relevant purpose of visit

Step Four: Click Submit
