Day 1 Arrive in Prague

Today we arrive in Prague and transfer to our hotel.

Prague lies on the seven hills flanking the banks of the Vltava River with the most outstanding views being from Prague Castle. Sometimes it is called Prague the Golden, sometimes Prague the City of 100 Spires. It is compared with Florence and Rome in its beauty. Thomas Mann said it was one of the world's most magical cities; Goethe called it the prettiest gem in the stone crown of the world. Virtually untouched by war, its architecture is Romanesque, Gothic, Renaissance, Baroque, Rococo, Neoclassical, Empire and Art Nouveau.

Overnight in Prague.

Included Meal(s): Dinner, if required.

Day 2 Prague: Old Jewish Quarter & Wenceslas Square

Our WALKING tour today takes us to the Old Jewish Quarter and the old Town Square with its famous town bell and astronomical clock.

The Old Jewish Cemetery is an incredible sight. The second oldest in Europe, it was established in the 15th century. Burials took place from 1439 to 1787. Today there are 12,000 tombstones jammed together, leaning one on another, every one at a different angle and size, the whole creating a graphic and surreal image. We also visit the museum/memorial and the Klaus Synagogue with a permanent exhibition called "Jewish Customs and Traditions" highlighting the significance of the synagogue and Jewish festivals.

We continue to the Old Town Square. The 15th century designer of the astronomical clock located here was master clockmaker Hanus of Ruze. According to legend, he was blinded by Prague's town councilors for fear that he would make another like it for another town; so magnificent and applauded was his creation. One day toward the end of his life, he asked a friend to lead him to his great creation. As the figure of Death tolled the hour, Hanus thrust his hand into the clock's apparatus; the clock stopped, and it was centuries before a craftsman could be found who was skilled enough to make it work. In World War II, the clock is said to have stopped again after the Nazi murder of hundreds of citizens of Prague.

We finish our walking tour at Wenceslas Square in time for lunch (your own account). The balance of the day is at leisure. Prague is famous for its concert halls: The Municipal House, Rudolfinum, Mozart Theatre, National Theatre, The State Theatre -- all of them close to the center of the city with performances almost every night. Your Tour Leader can help organize optional evening activities.

As we head towards the castle we will pass the following: Strahov Monastery, the Loreta, the Cappucin Monastery, and the Archbishop's Palace. Before entering the castle, we will pause by the wall for a city panorama and orientation before our 2-hour visit of the castle.

We enter into first courtyard with its famous fountain and walk over to the Chapel of the Holy Cross. We continue to the St. Vitus Cathedral and visit the choir and crypt before heading to the third courtyard. Here we enter the Old Palace from St. George Square and then continue toward the Golden Lane (Kafka's House) where we pause for a break and refreshment, and then carry on the Old Castle Steps with photo stops along the way.

We will stop at Nikolas Church before crossing the ancient Charles Bridge (Karlův Most), an artistic masterpiece famous for its vendors and artists. For over four hundred years, this work of art, built by King Charles IV in 1357, was the only link between the two halves of Prague. We
