Prices in US Dollars

We are able to offer airfares from all major gateways;

Contact us for a quote from your city.

On Air & Taxes...

The airfares indicated in this booklet can be used as a guide for what an economy class air ticket will cost you from the indicated major gateway, exclusive of taxes, airport user fees, and fuel surcharges. These prices are based on the lowest available inventory on a limited number of scheduled airlines with which we have contracts, and are accurate only at the time of printing. Though we are usually very good at confirming the indicated price, fares can go up without notice, especially if you book late and lower fare space is sold out. If you want a specific routing on a specific airline, no problem!

Frequent Flier Points

If you want to redeem points for free travel, you must deal directly with the airline or reward scheme operator. If you want to collect points on an eligible ticket purchased from Adventures Abroad, please provide us with your membership number prior to travel. You should always present your membership card at check-in and retain ticket stubs and/or boarding card stubs until your account has been credited.

Seating and Special Requests

We will assist in requesting preferred seating for your flights, if possible (some airlines do not offer pre-assigned seating). Please be aware, however, that it is ultimately up to the airline to honour this request. Airline overbooking practices and/or equipment changes may necessitate unannounced seating changes over which Adventures Abroad has no control. If seating is very important to you, we suggest that you call the airline directly to reconfirm your seating at least two days prior to travel, and that you check in for your flight as early as possible.

Land Only Arrangements

If you prefer to make your own air arrangements, you can book most of our tours on a LAND ONLY basis. We advise all land only passengers to confirm the status of their chosen tour before making any non-refundable air arrangements. Please refer to our general Terms & Conditions pertaining to Land Only Bookings, Reservations, Payments, Cancellation, Refunds, Transfers, Baggage, etc.

Taxes

As taxes are well beyond our control and can change at any time, we do not include them in any of our pricing. Our tours that include internal flights are usually subject to taxes that we list in addition to our LAND prices (we absorb any taxes less than \$50). Be forewarned that some longer tours that include many flights—India, Australia / New Zealand, the Himalaya, etc—can have taxes in the \$300-500 range (our website shows taxation amounts, if any, on each tour's page).

Once your chosen tour is 'guaranteed', we can provide a tax-inclusive quotation for your flights. Or you can book your own and we'll just see you there!
